CARBONDALE, ILLINOIS, TUESDAY, OCTOBER 21, 1952

No. 12

## Students Select Songs For Homecoming Concert

For the first time in the history of SIU Homecomings, Southern students will get to select the numbers to be played by the starting band at the concert. Ralph Marzette, noted recording artist, has been scheduled to play for the concert and dance, the climax of Homecoming activities to be held Nov. 1, 1952.

Each student will check five of these recordings according to his own likes and dislikes. The numbers checked most frequently will be given to Marzette Sunday night before the concert so that he may present them as a special feature of his concert.

The song election is being sponsored by the Homecoming steering committee with Gene Graves, Homecoming co-chairman, and Don Shelton, dance chairman, in charge. Marzette and his band will present their concert at 8 p. m. Nov. 1, in Shrivock auditorium. Immediately following the concert, at 9:30 p. m., the annual Homecoming formal dinner will be held in the men's gym.

Main feature of the dance will be the presentation of the 1952 Homecoming Queen and her court and attendants. Special decorations and throne setting are being planned for the dance by the Homecoming dance decorations committee, under the chairmanship of Audrey Mayer.

The six boys and the six girls receiving the highest number of nominating votes will be placed on the ballots for the final Most Typical Freshman Boy and Girl titles.

The election next Tuesday will represent the freshman class at the Homecoming bonfire pep rally which will be held Friday, October 31, at 5:45 p. m.

At the pep rally, which is a traditional all-school Homecoming event, these two freshmen will lead their class in taking the Pledge of Allegiance, traditional university pledge from President D. W. Morris.

Oh, Goody!

No School Here Friday, Oct. 24

According to an announcement from the president's office, there will be no school this Friday, Oct. 24. Classes will be dismissed in order to make room for a meeting of the Illinois Education Association which will bring approximately 3,000 area teachers to campus.

Since there will be no school on Friday, the usual day for publication of the Egyptian, there will not be another issue printed until next Tuesday, Oct. 28.

It Soon Will Happen . . .

Tuesday, Oct. 21—Student Center open house, 7:30 to 10 p. m., Student Center.

Home Economics club party with Agricultural club, 7 to 10 p. m., Little Theatre.

Phi and Psi social, 7 p. m., Club 16.

Delta Sigma Epsilon and Chi Delta Chi exchange party, 6:30 p. m., Chi Delta Chi house.

Wednesday, Oct. 22—Sing and Swing square dance, 7 to 9:30 p. m., Little Theatre.

Theta Xi open house, 7 to 10 p. m., Theta Xi house.

Child Guidance clinic, 1 to 3 p. m., Little Theatre.

Newman club business meeting, Parish house, 405 Walnut street.

Thursday, Oct. 23—Child Guidance clinic.

Concert, Ethel Smith, 8 to 10 p. m., auditorium.

Newman club roasty devotion, 7:30 p. m., Catholic church.

Friday, Oct. 24—No school for day classes.

Southern division of Illinois Education Association meeting, auditorium.

Faculty square dance, Little Theatre.

Saturday, Oct. 25—Choral clinic, Little Theatre and auditorium.

Musical rehearsal, 7:15 p. m., Little Theatre.

Homecoming play rehearsal, auditorium.

Tuesday, Oct. 28—Southern Eagles meeting, 7 to 9 p. m., Parkinson 107.

Homecoming play rehearsal, 9:15 p. m., auditorium.

Pi Lambda and FTA meeting, 7:30 p. m., Little Theatre.

Ethel Smith

## "First Lady Of Organ" To Appear In Concert

Ethel Smith, "First Lady of the Organ," whose nimble fingering and dazzling footwork have introduced many hit songs and entertained audiences here and abroad, has been scheduled by the Entertainment and Lectures Committee to appear here in a concert at Shrivock Auditorium, Oct. 23, at 8:15 p. m.

Miss Smith has appeared on many "Voice of America" broadcasts for the United States government, not only to play the organ, but to talk to her admirers all over the world in their own tongue. Miss Smith speaks Spanish, Portuguese, French, Italian and German.

She has also entertained at the Mayfair Room of the Hotel Blackstone, Chicago, the Capitol and Paramount Theatres, New York, and has appeared in two films, "Bathing Beauty" and "Easy to Wed." She is just returned from a tour of London, Rome, Brussels, Madrid, and Paris.

Selections on her program for Thursday night include: "Comedian's Galop" by Kabalevsky; "Andalucia" by Locuena; Debussy's "Clair de Lune"; "Hora Staccato" by Dinicu-Heldest; Chopin's "Mazurka"; "Ritual Fire Dance" by de Falla; and "Fugue in G Minor" by Bach.

A second group of numbers will be: "Fiddle Fiddle" by Anderson; "Carinhoso" by De Vianni; "South Pacific Melodies" by Rodgers; and "Ladies of the Hit Parade." Following the intermission, Miss Smith will play her musical selections from the Latin American countries.

All students interested in assisting her during the concert are to contact Dr. Kenner in the music department. These students should be prepared to rehearse with her.

## Broadcast Hails 1952 Homecoming

An actual Radio broadcast, hailing Southern's 1952 Homecoming, was staged in the Canteen last Thursday afternoon at 3 o'clock.

Highlights of the 15 minute show to be sent out on transmission to area stations, were the Children and the music of Dexter Peak and his band.

Announcer for the broadcast was Doug Matthews; the script was written by Virginia Miller; Ralph Becker was the producer-director and Dick Edwards, the technical engineer.

## Group Completes Plans For Homecoming Parade

The SIU Homecoming parade set for Saturday, Nov. 1, is scheduled to start at 11:15 a. m. according to Richard Coleman, parade committee chairman.

All participants are to assemble at Carbondale Community high school, and from there the parade will proceed east on Main to the four-way stop, south down Illinois and disband in front of the main gate of the university. The parking lot will be reserved for the bands, and the floats are to return to their respective houses or organizations.

The ROTC, however, will proceed through the campus to participate in the flag raising ceremony which will take place at McAndrew stadium at 1:30 p. m.

Besides Washington University and Southern's 44 other bands are scheduled to march. They include: Cairo, Cairo-Summer, Carbondale's Community High, Lincoln and Artistic, Du Quoin, Madison, Murphysboro, Pinckneyville, and Beas.

There are 12 Class A float entries and seven Class B entries.

First and second place trophy in both classes will be awarded and these will be on display at different places on campus after Oct. 23.

Those entering Class A floats are: Industrial Education, Anthony Hall, Devle Dorn, Tan Kappa Epsilon, Delta Sigma Epsilon, Chi Delta Chi, Sigma Pi, Sigma Sigma Sigma, Theta Xi, and Pi Kappa Sigma. Those in Class B are: Club 16, 700 Club, Johnson Hall, Taj Mahal, Gamma Delta, Southern Acres, and Vocational-Technical Institute.

Undecorated vehicles will not be allowed to take part in the parade and there will be no political cards or advertisements of any kind. There are to be five out-of-town judges for the parade who have no connection with Southern. The judges will receive complimentary tickets to the game, and Washington university's band will receive tickets to the concert.

A listing of those appearing in the parade is as follows: SIU band, ROTC Sweetheart, Floats, stunts and high school bands.

Jim Minton is in charge of entertainment preceding the parade which will include stunts by clowns and policemen.

The committee for the Homecoming parade is: Richard Coleman, chairman; Carolyn Bernhardt, Tom Swartz, Preston Martin, Linda McRee, Carl Anderson, Jim Minton, Nan Davidson, Jack Barnes, and Betty Jean Mathews.

Center Holds Open House This Evening

"Halloween Hollow" will be the Student Center's open house, will be held tonight with ghosts, witches, and jack-o-lanterns making up the decorations. The festivities will begin at 7:30 p. m. and will last until 10, with dancing and mixers getting the program started.

Later in the evening student pianists, a trumpet player, and vocalist Jerry Hicks will provide entertainment, according to Paul Morris, chairman of the Student Center board. Some "surprise stunts" are also being planned by the Student Center committee.

## To Select Queen, Class Officers

Today is the day when some of the five final candidates for last year's Military Ball Queen.

Southern's students will choose a queen from the following girls: Audrey Mayer, Helen Nance, Mizzi Cagle, Pat Neagu, Mary Meyers, and Nancy Rains. The leading candidates for the opposing political factions, Greek and Independent, are Audrey Mayer, Sigma Sigma Sigma sorority, and Mizzi Cagle, ISA.

Audrey is vice-president of the Sigma Sigma Sigma sorority, president of the Pan-Hellenic Council, and chairman of the Homecoming dance decorations committee.

Mizzi is a member of the Independent Student Association, president of the Women's House Council.

Helen Nance, chairman of the Alumni Homecoming committee, is vice-president of the Delta Sigma Epsilon sorority. She was runner-up in last year's Miss Southern contest.

Nancy Rains is a resident of Johnson Hall and a member of the Independent Student Association. She was attendant to last year's Homecoming Queen.

The results of the Queen election will be kept secret until the coronation ceremonies.

Nominations for attendants are Betty Hall, Pi Kappa Sigma sorority, Ann Traveler, Anthony Hall, Dixie Bass, ISA, and Pat Miller, ISA.

Nominations will also be held today for the Most Typical Freshman Boy and Girl. Final elections will be held among freshmen next Tuesday.

Officers of the various classes will also be elected today at the polls. The following students have been nominated:

Senior Class Officers  
President—Chuck Thater, ISA, and Jim Schmalbach, Sigma Pi fraternity.

Vice-president—Oma Dorris, ISA, and Wilma Beadle, Sigma Sigma Sigma sorority.

Secretary-treasurer—Loretta Boulton, ISA, and Don Shelton, Tau Kappa Epsilon fraternity.

Junior Class Officers  
President—Jim Hogbush, ISA, and Janice Brown, Alpha Kappa Alpha sorority.

Vice-president—Gloria King, ISA, and Richard Coleman, Chi Delta Chi fraternity.

Secretary-treasurer—Winnie Bollinger, ISA, and Joan Davis, Sigma Sigma Sigma sorority.

Senior Class Officers  
President—Dexter Peak, ISA, and write-in candidate Tom Holobovskii, Sigma Tau Gamma fraternity.

Vice-president—Silvia Saunders, ISA, and Louis Hoover, Theta Xi fraternity.

Secretary-treasurer—Nancy Davidson, ISA, and Sally Lewis, Delta Sigma Epsilon sorority.

Freshman Class Officers  
President—Roger Robinson, ISA, and Thelma Walker, Pi Kappa Sigma pledge.

Vice-president—Art Triplett, ISA, and Ted Evans, Delta Sigma Epsilon pledge.

Secretary-treasurer—Linda McCre, ISA, and Nancy Blackwell, Anthony Hall.

The Student Council has announced the following election results:

(1) All voting must be done inside one of the provided booths, (2) No electioneering is allowed within 200 feet of the polls, (3) After a ballot has been stamped it should not be taken from the polls.

The polls opened at 8 a. m. today and will remain open until 4 p. m. They are located in front of Old Main, but in case of bad weather they will be moved to the cross halls of Old Main.

Drumming music sets you to dancing. At the Homecoming you'll be dancing.

held today, but identity of the Queen will be kept secret until the coronation ceremonies which will be held Thursday, Oct. 30.

CANDIDATES for the title of Homecoming Queen and for positions in the Queen's court are, from left: Mary Ann "Mitt" Cagle, Pat Neagu, Audrey Mayer, Helen Nance, Nancy Rains, and Mary Meyers. Elections for the positions are being held today, but identity of the Queen will be kept secret until the coronation ceremonies which will be held Thursday, Oct. 30.

# Our Opinions

## Adolescence Again

It's election time again and along with it came those adolescent antics that we wrote about last year. We had hoped they wouldn't flare up again—but the hoping was in vain.

Last year, evidence of adolescence among some of our college students appeared when various sidewalks were painted with election slogans. Thank goodness it isn't sidewalks again, but nevertheless there is still evidence of adolescence.

This year's adolescent trick consisted of the taking of signs made by one organization for its own purposes and, by painting

group's signs is an understated political method but also that it borders on chivalry—and a thirvery of an adolescent nature at that.

We do not care for which group a person stands or how he votes in today's election, but we do care about unfair measures, no matter who uses them. We are keeping our fingers crossed that there will be no more evidence of adolescent antics throughout this day—even though it may be a rather tedious filled day with so much at stake at the polls.

That reminds us—have you voted today? It is every student's duty as well as his right to vote, and just as strong a duty and right is that each person vote and campaign fairly.

B.V.B.

## Dressed Up

During the latter part of this week, our campus will put on a new dress for the Homecoming season. Various shaped banners in our school colors will adorn the new bare posts and buildings in an effort to brighten up the old place for the big 1952 Homecoming celebration which is now just around the corner.

One reason for putting on the banners is to show our welcome to SIU alumni who come back to our campus for the Homecoming festivities. In past years, for some unknown, childish reason, several banners have disappeared before Homecoming ever gets under way. It seems rather foolish to put them up, then, if they are to

incidentally cost money), are developed to make each Homecoming better than the one before.

What student wants the Homecoming celebration each year to disintegrate instead of improve? Evidently there are some students who have such a desire, for they continue to rob the Homecoming budget by taking costly banners from their proper places on campus. If such a practice were followed consistently, before long there might not be such a thing as Homecoming for lack of funds.

It seems to us that if Homecoming were lost, the spirit of our University would be lost. Let's keep from losing anything ourselves, which has to pay for the losses. It seems that each year the Homecoming budget is shorter and shorter as new and better ideas (which

## Wanted—A Full House

When Miss Ethel Smith, the well known organist and recording artist, comes to Southern Illinois campus this Thursday, Oct. 23, it will be through the combined efforts of each member of the Lectures and Entertainment committee. Her coming will represent an advance of time, effort and money on the part of this committee.

And we students—for whose benefit she is coming—whom do we have to thank for this? Surely not ourselves. It certainly wasn't our attendance or interest in the activities that prompted the Lectures and Entertainment committee to go to such great expense to bring this outstanding personality here.

During past years, the committee has brought outstanding entertainers and lecturers well versed in their fields to this campus. The audiences in the past have been made up mainly of teachers and townspeople. SIU students (for whom the programs were planned) just didn't show up, showing that their desire to acquaint themselves with something on a higher level than sitting in the Canteen was practically non-existent.

But Oct. 23 happens to be on Thursday night—the night before a school holiday, you may say. So what? That's all the more reason everyone should be able to attend, since there won't be any class preparations hanging fire. And for those who

are planning to go home, you will not wait until the program on Friday morning—you'll still be getting home several hours earlier than usual.

Tickets to see such a performance as the one by Miss Smith to be presented here Thursday would be at a rather high price, but all SIU students may attend free of charge. What a shame it would be to pass up such a chance.

This year, it is the Lecture and Entertainment committee's sincere wish to please the students. It is any wonder why they even bother, since the only pay they ever get is notoriety. Yet, the only compensation received by the committee is a happy audience. So, this Thursday, let's give them a full house!

T.W.

**GIRLS' RALLY OFFICERS** for the year are as follows: from left—Shirley Holman, secretary; Fay da Gower, vice-president; Mary Meyers, president; Helen Gurley, treasurer; and Rosanna Gilmer, historian.

# Girls' Rally Is Big Help During School Functions

By GWEN APPLEGATE

Beginning next Monday, Oct. 27, the Girls' Rally will begin its traditional Homecoming service—that of selling mums at a reduced rate for the Homecoming game. This year's mums will be white with maroon ribbons, and will sell at one dollar each. Girls' Rally members will begin taking orders Monday. Money must be paid at the time of ordering.

One of the most valuable organizations on Southern's campus, Girls' Rally, has also proved to be indispensable for voluntary service at many times throughout the year other than at Homecoming. This year, organization, which was founded in 1935, has been strongly dedicated to service to Southern for twelve years.

Members of Girls' Rally assist at registration, orientation, and many other voluntary services. So far this year, the girls have proved invaluable in many campus activities. They have voluntarily lent their services for such things as New Student Week, at which they led the freshmen on tours and assisted at giving tests.

They helped with the registration at the Southern Illinois High School Press Conference, and they acted as hostesses, lead tutors, and assisted with registration during High School Guest Day. At the Leadership Conference, they were hostesses at the reception which was given for the leaders who were on Southern's campus for the day.

Members of Girls' Rally have many things planned for the future. They plan to assist with the dancing class which is to be held at the University School sometime in the future. For Homecoming the Girls' Rally along with the girls' band will decorate the Queen's float. The girls will also serve at the football banquet. During Parents' Day, which is a future event, the girls will assist with registration, conduct tours, and act as general hostesses.

Girls' Rally officers this year are Mary Meyers, president; Fay da Gower, vice-president; Shirley Holman, secretary; Helen Gurley, treasurer; and Rosanna Gilmer, historian.

Recently seventeen students were pledged to Girls' Rally. These girls are Cynthia Aulin, Jeanette Black, Ann Triflatad, Merina Morris, Sally Lewis, Louise Taylor, Pat Priest, Robert Grimes, Jean Mossman, Barbara Bain, Margaret Zimmerman, Elizabeth Wilson, Carolyn Campbell, Alice Dinger, Gwendolyn Lane, Evelyn Schubach, and Rosamery Bradley. Initiation ceremonies are held once a year.

Faculty adviser for Girls' Rally is Mrs. Lorenz, On Office of Student Affairs.

## —World News in Brief—

By BILL YOUNG  
Condensed from AP Wire Service INTERNATIONAL

Under the cover of intimate artillery fire, 1000 Chinese troops assaulted Snider Ridge on the Central Soviet Front.

A vicious grenade-throwing hand-to-hand battle was raging for control of Pimpino Hill, a critical peak on Snider Ridge. Communist forces had captured the hill and the field, and Red casualties mounted to record 1952 totals. In the week ended Tuesday, the U. S. Eighth Army estimated the Communists lost 10,186 soldiers.

Snider Ridge and nearby Triangle Hill were the targets for the biggest Allied attacks since last November. The fighting has swirled hotly around these two peaks for three days.

Sporadic fighting continued 100 miles northwest of Hanoi as the long-awaited post-monsoon campaign settled down to its second week of fighting.

A French spokesman said the Communists had taken the town of Vinh, a strategic point on the strongly defended town of Vinh. The town appeared to be waiting for more war equipment and supplies before attempting a direct assault.

Britain's second atomic explosion will be held for a while according to Prime Minister Winston Churchill. The reason given for the delay was that the first explosion a few weeks ago was so successful that the British could afford to wait.

The first explosion was at Monte Bello Island, off the north coast of Australia.

They finally did it. The Air Force hit the Chinese Communists with the kitchen sink.

A Navy pilot recently attacked a sink to a 1,000-pound bomb and dropped it on a major North Korean city.

I wasn't able to see what damage the sink caused," the pilot said. "But I guess the Reds can take the hint that we mean business."

## Child Guidance Clinic To Hold Fall Forum

The SIU Child Guidance Clinic, in cooperation with the Illinois Institute for Juvenile Research, Chicago, will hold its regular fall quarterly clinic at SIU Wednesday and Thursday, Oct. 22 and 23.

Miss Irene Spasoff, psychiatrist, will be in charge. Dr. Abraham Baskin, psychiatrist, will conduct the forum which includes group work by the staff during the two days, a demonstration of the special case, and an open forum discussion on "Emotional Development and Maturity of the Average Child," which will be held Wednesday afternoon.

## Job Outlook Good For 1953: Bryant

"Job outlooks for the 1953 graduates are especially good," stated Royce R. Bryant, director of the Southern Placement Service.

Bryant also said that the possibilities for jobs in accounting, chemistry, physics, drafting, and sales work are of the highest demand. He stated that in the field of elementary teaching the brightest prospects would be in the kindergarten through fourth grade. On the secondary level, good teachers in most demand would be in home economics, physical education, and biology, science, commerce and music.

THE SLOWEST AREAS in teaching would be in the social sciences, English, and men's physical education. Bryant made it quite clear that these fields were not by no means full and any student with average personality and average academic standing will have little or no difficulty in obtaining jobs.

At the present time there are students graduating at the end of the current year, who are accepting contracts to start teaching Dec. 1. In some fields the demand is extremely great. These students who will graduate at the end of the fall or winter term should be registered with the Placement Service.

Students who will receive their degrees in June are requested to register at the Service office immediately after the Christmas holidays.

JOB OPPORTUNITIES which are now open or will be by Dec. 1 in teaching are music, coaching, junior high English, junior high mathematics, kindergarten, girls' physical education, commerce, and economics. In fields other than teaching, accountants, saleswork of all kinds, secretaries, banking chemists, and draftsman.

Anyone wishing any information about these jobs or who might have any question about outlooks for other jobs are urged to get in contact with the SIU Placement Service.

## Modern Paintings Now On Display

Twenty-three modern oil paintings and water colors from the Abbott collection are now on display in the Allyn Art Gallery.

The exhibit, loaned by Abbott Laboratories, North Chicago, will be here until Friday, Nov. 7. It then continues a country-wide tour of art galleries.

Reflecting the emphasis which the Abbott collection places on art by Americans, more than half the items in the current exhibit are by contemporary Americans. Painters of the French modern school make up the next largest group. The prices range broadly in style from impressionism to abstraction.

One of America's women artists Doris Lee, has two canvases in the exhibit, "The Night Before Christmas" and "The Dove."

Raoul Dufy, who pioneered with Picasso and Matisse in the development of the modern art movement 40 years ago, is represented in the exhibit by his great water color, "Le Grand Concert." Another of the better-known French impressionists is Maurice Utrillo, whose works hang in several great museums of Europe and America. His canvas in the Abbott collection, "Cercle Catholique du Sacre Coeur," illustrates the serenity which characterized Utrillo's work.

Abbott Laboratories loaned the exhibit to SIU as part of the company's continuing program to encourage creative art and appreciation.

**NEW DIRECTOR** of the SIU All-Star Jazz Band, Archie Griffin, (extreme right) conducts the weekly practice session of the 1952 version of the band. Archie Griffin, a graduate student and band director at Carbondale Community high school, was formerly a member of Charlie Barnett's orchestra.

Members of the band, as shown above, are: Back row, from left—Charles Blacklock, freshman, East Alton; and John Smith, Harrisburg. Second row: Claude Hordley, sophomore; West Frankfort; Boyd LaMarsh, sophomore; Alton; Lee Jacobson, junior; Alton; Al Lockwood, junior; Christopher R. Corydon Finch, junior; Anna; Phillip Olsson, SIU.

## Southern's Choir To Participate In Twelfth Annual Choral Clinic

Southern's eighty-two member choir will participate in the twelfth annual Choral Clinic to be held this Saturday, Oct. 25 on the SIU campus.

Approximately 1150 students will begin rehearsals at 9:15 a. m. and practice all day in preparation for the concert to be held in Shreveport auditorium at 7:30 Saturday evening, according to Floyd Wakefield, Southern's choral director.

These students are from thirty-four schools of Southern Illinois area surrounding Carbondale of a radius of approximately seventy-five miles. The schools are: Anna-Jonesboro, Ashley, Belfton, Carbondale Community, Carbondale University High School, Carmi, Carterville, Centralia, Chester, Christopher, Gouletville, Dongola, Du Quoin, Eldorado, Enfield, Harris, Hout, Bush, Johnston City, Marion, Mt. Leansboro, Metropolis, Mt. Vernon, Murphysboro, Norris City, Odin, Ridgway, Salem, Shawnee Community, Sparta, Steelville, Thebes, Thompsonville, West Frankfort, and Southern Illinois University—Capella City.

Maynard Klein, who will direct the choir, is choral director at the university, and public school music.

University of Michigan and Interlachen, Va. Camp. He directed the Southern Illinois Choral Clinic in 1947 and is the first of the directors to receive a return invitation.

The schedule for the program is as follows: six selections from the choir, two selections by Southern's acolyte string quartet, two songs by male vocalists, two by women vocalists, and three soprano solos by Miss Edna Griffin.

The members of the faculty string quartet are: John Wharton, first violin; Edith Grappe, second violin; Kenneth Mills, viola; and Edna Griffin, cello.

Edna Griffin, soprano soloist, joined the music faculty at Southern in last September as a teacher of voice and public school music.

# AFROTC

It isn't only the male who is leading the way into the sky; it is the women also. In fact, we have a young woman pilot here at Southern. Her name is Joyce Allen, a vivacious and talkative 19-year-old senior from Bunker Hill.

Joyce is in the College of Education, majoring in geography and minoring in English. Besides practicing teaching and flying she is kept busy with the Geology club, secretary of the Gamma Theta Upsilon, and a member of the Southern Eagles flying club.

The first time Joyce flew in an airplane was at Lambert Airport in St. Louis. She was 11 years old at the time, but she enjoyed every minute of the ride.

Her two brothers are pilots and graduates of University of Illinois. They were a big factor in influencing Joyce's curiosity about flying. She even gave them a hand in building model gas planes. Joyce has been in a flying family ever since her oldest sister, a practical nurse, was the first one in the family to receive her private license. In fact, the family has their own landing field on the farm, a one way field, running north and south. An Aeromax aircraft is owned by her brother.

Up to today, Joyce has 45 hours of flying time to her credit. She has 15 hours dual instruction, 19 hours solo flying, and 11 hours cross-country.

One solo-cross country flight was flown from Carbondale to Mt. Vernon to Centralia, to Salem and back to Carbondale. Joyce claims the country from Carbondale to Cape Girardeau and to Metropolis is the most beautiful landscape in Southern Illinois. Joyce always is on the look out for some village so she can figure out their rock formations.

Joyce is expecting her private license any day now. She has all the qualifications except for a final solo with a Civil Aeronautics Administration examiner. To become a qualified pilot a person must have 40 hours of flying time. This must include 10 hours of dual instruction and 30 hours of solo flying.

Joyce accomplished her first solo flight in a very interesting way. It took her only eight hours of dual instruction to solo an Aeromax at Mardale Airport in Carbondale. Joyce's husband day had arrived when Mr. Cox, the instructor at the Mardale Airport, told her the plane was in her hands. Joyce said, "I was told to get the plane on the ground, after I shot two landings. I always believed if I ever was alone, I could land the airplane myself."

Many pilots who are safety minded have developed superstitions while flying; such as, hanging a rabbit's foot on the dash panel, having a cat in the airplane, or carrying parts of a former plane on their person.

As most pilots, Joyce has had many thrilling moments in the air. One day she was coming in for a landing on the farm into a north wind, when from a clear sky another plane wanted to land coming from the north; however, she managed to avoid the other plane and come in for a safe landing.

MILITARY BALL is now the byword in and around the ROTC classrooms and on the drill field. Pictures of committees for this, that, and the other thing are popping up all over the place. Buy a ticket—

pledge a ticket—vote for a queen—Arnold Air Society—dress requirements, and many more details to drive you crazy. When will it end? What's so important about a dance, military or otherwise?

The highlight of the cadet school year, the "Homecoming" for the ROTC, any number of things which show the importance of the Military Ball are appropriate. This is the biggest and most important event for you, the AFROTC cadet, until the day you receive your "gold bars."

How can you pass by the opportunity to participate in the Ball?

Enrollment figures related to date show 1045 cadets and less, much less than half of that figure have either bought or pledged tickets for the Second Annual Military Ball.

Coe College, Iowa City's popular Carl Aldrich and his Orchestra supplied the music for the SELLOUT crowd at their AFROTC Military Ball.

Oklahoma A & M's attendance at this year's Military Ball shattered all previous records with over ONE THOUSAND couples attending.

There are many traditions on the campus of Southern Illinois, but for the ROTC cadets there is one that should stand above all—the Annual Military Ball. Let's all get behind the Arnold Air Society and build our Ball to the point where we too will be nationally known.

If you have any suggestions for improvement of the Ball in any way, let us hear them. Write to the AFROTC office or drop in to our newspaper office. Watch this column for any new developments.

This is your Military Ball—so let's make it the best!

Jerry Holloper

AIR FORCE SERVICE seems to run in the family of Jerry Holloper, another of the advanced cadets enrolled in the fourth year training of AFROTC at Southern Illinois University. Jerry's father, C. Forrest Holloper, was an officer in the Air Force during World War II, and earned the rank of Major.

Before coming to Southern, Jerry attended the Oklahoma A & M University at Stillwater, Oklahoma for two years; but going farther back in his life, Jerry participated as sports at his home town of New Madrid, Missouri. He gained wide recognition for his sports participation in basketball, football, baseball, and football. He played varsity ball in all of these sports.

Except for the two years that he was in ROTC at Oklahoma A&M, Jerry has had no military experience, not including his work with the Air Force detachment here at Southern. Jerry played basketball at Stillwater, and also played on the Salski varsity squad last year.

Besides being known at SIU for his basketball ability, Jerry has been in charge of some of the ROTC reviews that were held on the football field at McAndrew stadium last spring.

## Director Announces SCF Chapel Schedule

Speakers for chapel services at the Student Christian Foundation for the coming week have been announced by Foundation Director Don Johnson. Chapel will be held each week from 12:30 to 12:50 p. m.

The schedule is as follows: Tuesday, Oct. 21—N. A. Ross, principal of Carbondale Community high school.

Wednesday, Oct. 22—Dean E. G. Long.

Thursday, Oct. 23—Rev. Wesley P. Peach, pastor of the American Baptist church, Marion.

## Applications Due For Draft Test

Students planning to take Selective Service College Qualification Tests Dec. 4, 1952, must have their applications postmarked not later than midnight, Nov. 1. Application blanks for the test may be obtained at any local draft board office, according to the Illinois headquarters of the Selective Service System.

By taking the Dec. 4 test, students will be assured of having their qualification score included in their individual draft files before the end of the academic year, when all deferments will be reviewed by draft boards.

Robert Litheridge, assistant dean of men, has urged all boys to take the test, even though they are enrolled in the AFROTC program. However, no one is required to take the test.

The present qualifications for deferment for an undergraduate college student is either a score of 70 or higher, in the test or a specified rank in his class. For males in the freshman class, he must rank in the upper half; for males in the sophomore class, he must rank in the top two-thirds; and for males in the junior class, he must rank in the upper three-fourths.

## Wright, Kennedy Address IRC Club

By JACK HAGLER

"Underneath the fire and fury of campaign talk the two Americans are pretty much alike," Dr. John Wright told the International Relations club at their Thursday night meeting in the Link Theater. Dr. Wright and Professor Jesse Kennedy spoke on the subject of political parties and their various and diverse platforms.

"Foreign peoples are likely to misunderstand the language of American politics," Dr. Wright said, "as when the Russians take it for a plain-faced fact when American sport headlines read 'Yanks Murder Burns'."

Dr. Kennedy, whose field is Far East history, was not so partial to both parties and did not defer so much to those of foreign birth in his audience. Kennedy defended, or affirmed that U. S. Foreign policy, being what it was, the Korean war was a necessary evil.

The talks by the two professors were scheduled as explanations of the Democratic and Republican party platforms.

## Historical Society To Meet Here Saturday

"Southern Illinois in the Mexican War" will be the theme of the meeting of the Southern Illinois Historical Society meeting to be held on campus this Saturday.

The society this fall has arranged a daytime meeting to open at 9:30 a. m. and last until mid-afternoon to try to arouse more interest among historically-minded Southern Illinoisans.

## Lutheran Organization Pledges Twelve Members

Twelve new members were pledged during the pledge ceremony of Gamma Delta, Lutheran student organization, at its regular business meeting last Wednesday. Initiation of the new members will be held at the next meeting, Nov. 12.

Plans were made for a hallows party at the church basement, Wednesday, Oct. 29, at 7:30 p. m. Students are invited to attend and are asked to come masked.

## 3000 Teachers To Attend IEA Meet On Campus Friday

An all-day annual meeting of the Southern division of the Illinois Education association will meet here at Southern Friday, Oct. 24, with nearly 3,000 area teachers and school administrators participating.

Dr. Abel Hanson, general secretary of Teachers College, Columbia University, New York City, will be the guest speaker. Dr. Hanson will give two talks, one at 11 a. m. in Shryock auditorium, "Good Schools — Do We Have Them?" and "Can We Tell?" and one at 1:30 p. m., "School, Public Relations — A Look Ahead."

The I. E. A. program will open at 9:30 a. m. with Rev. W. L. Reppenhausen of the First Baptist church of Carbondale delivering the invocation. Dr. George Hanson, executive assistant to the president of SIU, will give the welcome to the visitors.

Miss Elaine Munal, president of the Southern division of the I. E. A., will present an address at 9:45. Miss Munal is an English teacher in the Metropolis high school.

The Modern Dance group will present an hour program of dancing in the afternoon.

## Dr. Kelley Speaks At Club Meeting

"As compared with other sciences and fields of human knowledge, psychology is relatively new," Dr. Noble Kelley, psychology club member, stated during his talk at the second meeting of the organization last week.

"One of the most important recent developments has been the emergence of psychology as a profession," Kelley explained. "Psychological services are now offered to both individuals and to social institutions."

The Psychology Club approved its new constitution at this meeting, and Kelley announced that the election of officers is slated for the next meeting, which will be Wednesday, Oct. 27. A fifth member ship is open to all students and faculty of the University who are interested in psychology.

KENNETH DAVIS, an amateur hypnotist, as he hypnotized a member of the Commerce club was guest speaker at the club meeting.

## Psychology Dept. Sponsors Public Forum Tomorrow

A public forum on parent-child relationships will be held here tomorrow at 8 p. m., according to Dr. Leslie Malpass, program chairman and member of the SIU psychology department.

The program is being sponsored by the SIU psychology department and the SIU division of University Extension. The forum is the first of a new series being planned. The meeting will be held in the Link Theatre of the new University school.

Following the showing of a movie, "Angry Boy," a panel of four persons will discuss general and specific questions of parent-child relations as indicated by audience interest.

Comprising the panel will be Clyde V. Winkler, superintendent of schools in Carbondale; Dr. Alfred Kamm, coordinator of Mental Health Education, Illinois Department of Public Welfare; Dr. Noble Kelley, chairman of the SIU psychology department; and Mrs. Evelyn Riecke, counsellor of girls, University school.

## Services Set For UN Week

All SIU students and faculty members are invited to attend a special Carbondale observance of United Nations Week in a community-wide prayer service in the First Baptist Church at 7:30 on Wednesday, Oct. 22, under the auspices of the Carbondale Ministerial Association in cooperation with the Southern Illinois Association for the United Nations.

A dramatic presentation of world problems, entitled "The Lights are Going Out," will be followed by a prayer service. Dr. George L. Johnson of the Baptist Foundation and Rev. Donald Johnson of the Student Christian Foundation will join with other ministers in conducting the service.

## Clue No. 2

It will be put in the center of the top.  
Reach up and your eyes will pop.

Anthony Hall was built in 1915 and given its name by the Carbondale Women's Club in honor of Susan B. Anthony.

## Hypnotist Speaks At Club Meeting

Kenneth Davis, an amateur hypnotist from Marion, entertained the seventy-five members of the Commerce Club Tuesday evening, Oct. 14.

Karlton Brooks was elected to the office of secretary-treasurer at a business meeting which preceded the entertainment. Russell Kead and Virgil Jones are president and vice-president respectively. Paul Hoffman is the faculty sponsor.

Dr. Gus W. Trump, chairman of the business administration department will be the guest speaker at the next meeting to be held on Tuesday, Nov. 4, at 7:30 p. m. in barracks C-6.

## IRC Sponsors Display In Old Main This Week

The International Relations Club is calling attention to United Nations Week by a special United Nations exhibit in the cross halls of Old Main during this week. Of special interest is a series of sixteen large photographs dramatizing important phases of the work and aims of the United Nations.

## BULLETIN!

College students prefer Luckies in nation-wide survey!

A nation-wide survey based on actual student interviews in 80 leading colleges reveals that more smokers in these colleges prefer Luckies than any other cigarette—and by a wide margin. The No. 1 reason given for smoking Luckies? Luckies' better taste. What's more, this same survey shows that Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

## 'Chips' Chop Salukis 55--7

### League Leaders Score 22 in First Quarter

(By DON DUFFY)

Scoring seven times in thirteen series of downs, the Central Michigan Chippewas gained their third straight IAC victory as they pounded the Southern Salukis 55-7 in a game played at Mt. Pleasant, Mich., Saturday night.

The Chips offense swung into high gear early in the game, scoring 22 points in the first quarter of play, and compiling 426 yards before the final gun sounded. Their defense, while giving up 226 yards to the Salukis, allowed the visitors to place the ball down on "home territory" on only five occasions and only twice did the Salukis penetrate past the Chippewa 30 yard line.

Southern lost the ball on the first play after receiving the kick-off, when Benasak of the Chippewas scored a fumble on the Salukis 27. Verne Hawes scored for the Chips on a 25 yard end sweep. Doser made good his second conversion attempt after the Salukis were penalized for roughing the kicker.

The Chips picked up two-point minutes later. The Salukis were back deep in their own territory. A bad center to Hailo on a punt attempt resulted in a safety to make the score 9-0.

#### CHIPS SCORE TWO

Second-Chip touchdown came on a 43 yard drive climaxed when Chuck Miller bulled across from the one yard line. Doser kicked the chip. The third tally came in the closing minutes of the period. Don Smith blocked a Saluki punt and recovered the ball on the visitor's 33. Verne Wolf hit the line to score from one yard out. Doser's conversion was good to make the score 22-0.

Bob Ems took the kick-off on his own two-yard line and carried 55 yards to the Chippewas' 43. But Saluki scoring boys were short. Huske fumbled on the last play of the first quarter and Mackigan's Marovitch recovered.

The Southern defense avenged an other Chip touchdown early in the period when they stopped a 50 yard drive on their own 27. However, the host scored on their next series of downs. Dave Clark clinched a 78 yard drive by crossing the goal line on an 11 yard end sweep. Doser missed the kick and the score read 28-0.

Southern's offense managed to move the ball up to the Chippewas' 31 yard line before time ran out at the half.

#### SECOND HALF

Four minutes and fifteen seconds after the start of the third quarter the league-leading Central Michigan

eleven had their fifth touchdown. Bill Doser took a Hailo punt on the Southern 43 and ran the remaining 43 yards for a score. His place kick boosted the score to 35-0.

Charlie Miller intercepted a Southern pass on the first play after the kick-off. His touchdown return was nullified by a clipping penalty. Southern punted out, but the Chips were determined. They scored on a 33 yard pass from quarterback Don Kolcher to Al Drath. Doser converted for the fourth time.

#### SALUKIS SCORE

A fourth down fifteen yard penalty against the Chips gave the Salukis a first down in their own 47. Frank Mangum, who has shown great promise as an offensive full-back in the last two games, bucked through to the Michigan 39, and carried again to the 52. The Salukis' first offensive drive of the night ended when fullback Ed Johnson made a diving catch of Huske's eight yard pass in the end zone. Ems, who for the second straight week was forced from the game because of injuries, converted.

But the league leaders rattled by scoring on an 82 yard sustaining drive. Lee Smith finished by socking over from the two yard line. Doser missed the kick and the Chippewas led 48-7.

Don Smith intercepted a Southern pass on the first play after the kick-off. He ran it back ten yards to Southern 30. Pratt scored on a seven yard end sweep and Doser kicked his fifth point to make the score 55-7.

Southern took the kick-off on their own 33. Jack Schneider, Johnny Vanderplum, and Frank Morgan combined their rushing efforts to move the ball down to the Chippewa five yard line. But time ran out before the Salukis could provide the needed scoring punch.

#### FORMALITY

Although the Salukis played most of the second half against the Michigan reserves, they found themselves battling against a unit as talented as the Chippewa starting platoon. With potential all-conference starters and Notre Dame-like reserve strength, the power league Chips was should have little trouble coming to an unbeaten season in the IAC. Western Illinois, considered to be a tough one for the Chips,

## Kahmann Korner

By Jim Kahmann

THE BIG MAN, Opponent has rolled up his sleeves and smacked Salukis twice in a row now. He hit Bill O'Brien's three-beaten Salukis with 21 blows at Northern, and now 55 at Central Michigan. In all, 76 points have been scored against Southern's football team, while the SIU boys have netted but 14 in the last two games.

Some of you might be wondering how come. Now can a team that looked like they were on the march three weeks ago last two in a row by lap-sided scores?

We don't know the whole story, but it's easily explainable. Southern simply has been outmanned in the last two games. According to a Michigan Central sports writer, the boys from up North have four teams, one as good as the other. They're loaded for bear, but their duck season or not, unless we miss our guess, they'll roll through this year's IAC schedule undefeated, with less than six touchdowns scored against them.

NORTHERN wasn't that loaded, but the ball just bounced the wrong way at DeKalb. Thing of it, you never know just how much a football is gonna bounce. A spiraling punt can be caught and run back for a touchdown; but did you ever see an end-over-end punt bounce eight different ways and put a team in the hole? A fumble can bounce right in a man's hands, or it can crook off the turf into the opponent's maw.

was trounced 25-0. There's no sense to be nothing between Coach Bill Kelly's Chippewas and the conference crown except the formality of playing three more conference games.

#### STATISTICS

First downs—Chippewas—16 (14 rushing, two passing); Southern—9 (seven rushing, one passing, one penalty). Punting average—Chippewas—34.0; Southern—25.0. Yards rushing—Chippewas—288; Southern—184. Yards passing—Chippewas—138; Southern—52. Total offense—Chippewas—426; Southern—226. Pitting—Chippewas—13 attempted, five completed, none intercepted; Southern—16 attempted, 9 completed, five intercepted. Fumbles—Chippewas—2 (lost none); Southern—5 (lost four). Yards lost on penalties—Chippewas—55; Southern—36.

NEXT WEEK won't be a brother, by any standards. But it will be one of those games where two teams are more or less evenly matched. Eastern State of Christian has had the going tough this year, and Southern has a fair chance to put up with another victory to put them on the Victory Trail before Homecoming Nov. 1.

Before the season began, it looked like Normal, Eastern, and Michigan Normal would be the Salukis' best chance for victories. The first of these pre-season prophecies has held true, and it will be up to the football team to fulfill the other, and may be most in Washington for a stinger.

Don't feel that all is lost just because Southern has lost a couple. We know that the boys aren't satisfied with just one win, and they'll be out there to win their second come Saturday.

Most people expected them to lose right this year. Now they can only lose seven. But we're betting they crack that win column a couple more times before it's all over. That would really be nice, just for the record.

RECORDS are like final grades. They never change. But they can give you something to think about in your old age.

#### IAC GRID SCORES

Central Michigan 55, Southern Illinois University 7  
Michigan Normal 19, Northern Illinois 7  
Western Illinois 20, Illinois Normal 7

Northwest Missouri 27, Eastern Illinois 19 (non-conference)

#### IAC STANDINGS

#### NEXT SATURDAY'S GAMES

Southern Illinois at Eastern Illinois  
Northern Illinois at Illinois Normal, Michigan Normal at Central Michigan.

First president of SIU was Robert Allen, who served from 1847 to 1892. After his death one of the buildings on the campus was named "Allen."

## Saluki Harriers Defeat Western

Ernest Kelly and Dick Gregory set the pace as Southern's harriers couped the first cross country win of the season here Saturday against Western Illinois. The score was 22-33.

Kelly, a freshman, broke the tape in 17 minutes, 37 seconds after covering the 3.375 mile course. Gregory was four seconds behind him. Both runners are products of Sumner high school of St. Louis.

TAKING THIRD was Floyd Whorley who paced Western in two previous victories over Monmouth and Illinois Normal. Whorley finished in 17:53.

Although it was Southern's first win in three meets, it was the second time a Saluki runner had finished first this season. Gregory took first place in Southern's opening meet with Eastern Illinois, a match the Salukis lost 32-25.

Southern nailed down first, second, fourth, sixth, ninth, and 11th in the twelve man field. Western got third, fifth, seventh, eighth, 10th and 12th.

At the halfway mark Kelley led the field with Whorley and Gregory and Joe Smoits, Edwardville.

Others are Howard Finney, El Dorado; Howard Wood, George Reator, and Rex Hodge, Fairfield; Vel by Carpenter, Grayville; Gene Baggen, Marion; Keith Upton, McLean; Centralia junior; Bob Nicklaus, Centralia junior; Ray Ripplenever, Valmeyer sophomore; and Gib Kurze, St. Louis sophomore.

Jack Theriot, Flou junior, will commence practicing after the close of the cross-country season.

OTHER PLAYERS will on the squad are Dwight Summer, Alton; Darrell Thompson, baseball letter, winner in 1951, Belleville; Ed Johnson, Cairo; Tom Holobowich, a Saluki player last year from Chicago; Bon Morgan and Lin Thomas, Carbondale; Jerry Stevens, Chicago; Jack Renton, Collinsville; Bill Renolds, Dupo; "Barney" Ross, B of regular varsity and B squad scrim

hold-over from E. St. Louis; mages.

## Three Frats Still Tie For Greek Bowling Lead

None of the three teams dealocked for first place in the men's division of the Greek bowling league gained ground on their rivals as Sigma Pi, Chi Delta Chi, and Sigma Tau Gamma fraternities all turned in identical records of two victories and one defeat last Thursday.

Sigma Sigma Sigma sorority nearly had the Chi Delts on the ropes in their three game series as the girls turned in the night's high total of 2398, including a 384 pin handicap.

THE CHI DELTS, led by Ludwig 184, squeezed by the Tri Sig with one pin spare in the opening frame. Their winning total was 816, as compared to 815 for the losers.

Sigma Sigma Sigma avoided a shut-out by taking the last game of the set. Jerry West led the way for the Chi-Delt quarter with a 525 series. Connie Gonstater's brilliant 482 was tops for the women.

First Tau Gamma kept pace for first place by taking the first and third game enshrine.—Clu and third games in their series trailing him.

#### THE FINAL RESULTS:

1. Ernest Kelly (51, 17:37); 2. Dick Gregory (55, 17:41); 3. Floyd Whorley (W), 17:53; 4. Jack Theriot (S), 18:00; 5. Harold Brantler (S), 18:16; 6. Jack Martin (S), 18:25; 7. Dwight-Loy (W), 18:55; 8. Lyk Sawyer (W), 19:14; 9. Bob Wagner (S), 19:39; 10. Jim Schave (W), 20:11; 11. Nick Toot (S), 20:52; 12. Howard Hagerman (W), 21:35.

The Salukis run their last scheduled dual meet Thursday at Eastern at 3 p. m. The meet will kickoff Eastern's Homecoming activities.

Coach Leonard "Doc" Lingle said he has so far been unable to schedule a Homecoming meet here Nov. 1. The following week the Salukis go to Macomb for the IAC meet.

against Tau Kappa Epsilon fraternity. Red Feiden held down anchor man for the Sig. Tau's and turned in high series of 532. Chi Chi Karch's 498 was the best effort turned in by the losers.

BILL HUNT ruled high game of the evening, a nifty 241, to lead Sigma Pi to a two game victory in their series against Delta Sigma Epsilon sorority. The Sig PIs came near sweeping the series, but dropped the opener by eight pins. Hunt's 583 was high for the man, while Libby Mar's 445 was the only 400 series turned by the Delta Sig's.

Pi Kappa Sigma moved farther into the lead in the women's division by trouncing Kappa Theta Xi fraternity, two games to one. The Pi Kaps, led by Mary Ann Kingsberg's 419, outscored the men in totals, 2151 to 1964. Theta Xi, with Carol Cox high man at 440, managed to make the middle game by 18 pins to avoid a complete white wash.

Standings:  
Chi Delta Chi 7 2  
Sigma Pi 7 2  
Sigma Tau Gamma 7 2  
Pi Kappa Sigma 5 4  
Tau Kappa Epsilon 4 5  
Delta Xi 2 7  
Delta Sigma Epsilon 2 7  
Sigma Sigma Sigma 1 2 7

# NOSE, THROAT,

## and Accessory Organs not Adversely Affected by Smoking Chesterfields

### FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day, 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-month period each smoker was given a thorough

examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."
